

VINTNER'S RESERVE®

Pure California Coastal Expression

WINEMAKING PHILOSOPHY

For over three decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool coastal vineyards. We carefully match climates and soil types for each grape varietal, and then guide each vineyard lot throughout the entire winemaking process. Our proprietary approach to winemaking has earned us our world-renowned reputation for wines that consistently exhibit signature rich layers of flavor combined with delicate balance.

TASTING NOTES

"Luscious honeysuckle, ripe pear and fresh lemongrass intertwine in this medium-bodied Sauvignon Blanc. Hints of fresh tropical grapefruit complement the subtle mineral quality while added layers of fig and honeysuckle round out this crisp, aromatic wine."

—Randy Ullom, Winemaster
