P.H.:

3.43

WINEMAKER NOTES

Beautiful bright Copper River salmon pink in color, aromatics of English Tea roses, gardenias, peaches and orange blossom. The flavorful, fresh and rich finish beckons for another sip. Please enjoy!

—Randy Ullom, Winemaster

WINEMAKING PHILOSOPHY

Grand Reserve is a winemaker's blend of our mountain, ridge, hillside and benchland grapes grown along California's cool coastal appellations. We hand select grapes from our best estate vineyards and then monitor, taste and guide each individual lot throughout the winemaking process. Each lot is kept separate, aged and crafted—boutique winery style. Our winemakers have an unmatched palette of flavors and terroir nuances from which they masterfully blend these exemplary rich, deep and complex wines.

EXPERIENCE THE DIFFERENCE

- 100% Jackson Estates Grown on vineyards that we own, ensuring that our precision farming methods are used and the grapes are harvested at their peak potential
- Precision harvesting, de-stemming, and pressing methods are utilized so the grapes are handled in the most delicate manner possible
- All of our estate vineyards are certified sustainable by the CCSW (Certified California Sustainable Winegrowing) and SIP (Sustainability in Practice) programs
- Stainless steel cold fermented and bottled early to capture the fruit
- This delightful Rosé features flavors of white peach and watermelon

VINTAGE PROFILE

In 2015, we had one of the earliest seasons ever. From bud break to harvest, we were about one month early on all fronts. Yet with this shift, the growing days were essentially the same as a "normal" season.

"Our family culture is built on the time-honored principles of hard work, integrity, an uncompromising desire for quality and the long-term stewardship of the land."

- JESS JACKSON, FOUNDER
