VINTNER'S RESERVE®

Pure California Coastal Expression

WINEMAKING PHILOSOPHY

For over three decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool coastal vineyards. We carefully match climates and soil types for each grape varietal, and then craft each vineyard lot throughout the entire winemaking process. Our proprietary approach to winemaking has earned us our world-renowned reputation for red wines that consistently exhibit intense layers of flavor with complexity and balance.

TASTING NOTES

"This beautifully fruit-forward, layered wine is rich, complex and offers a sumptuous texture. This is a great example of the 2013 vintage and all of its glory. It has spiciness from the Zinfandel, fresh, lush red fruit and dark, red fruit tones from the Syrah, with a kiss of chocolate from the Merlot. Sumptuous tannins from the Petite Sirah, Cabernet Sauvignon and Grenache envelope the mouth and linger beyond each sip, and a smile is brought to one's face."

—Randy Ullom, Winemaster
