ESTATES COLLECTION®

Outland Ridge®
2021 PINOT NOIR
ANDERSON VALLEY

Kendall-Jackson Estates Collection wines showcase our cherished vineyard estate properties located on rare, coastal California terroir of mountain tops, ridges, hillsides and raised benchland soils. This limited release allows our winemakers to emphasize the extraordinary terroir of our unique properties and craft very small lots for refined palates.

OUTLAND RIDGE

Cultivated on Anderson Valley's high eastern ridge, this remote vineyard is full of chunky, broken rock in thin, powdery soil similar to a Goldridge classification. Pinot Noir vines strain to cling to the ridgelines yet produce deep, profoundly complex and age-worthy wines.

KEY POINTS

- Elevation:** 1500 - 1700 feet
- Soil:** Pale loam soils on top of fractured sandstone offer good drainage and low water holding capacity.
- Climate:** The most northern growing region in California with a heavy marine influence.
- Profile:** Powerful black cherry and plum aromatics with smokey, briary, and strawberry flavors; finishes with notes of vanilla and silky rich tannins.
