JACKSON ESTATE

Petaluma Gap

2017 PINOT NOIR

SONOMA COAST

Jackson Estate wines showcase our cherished vineyard estate properties located on rare, coastal California terroir of mountain tops, ridges, hillsides and raised benchland soils. This limited release allows our winemakers to emphasize the extraordinary terroir of our unique properties and craft very small lots for refined palates.

Petaluma Gap AVA

Established in 2018, the Petaluma Gap AVA is impacted by an 18-mile opening in the California coastal range, located between Sonoma and Marin Counties. This low elevation gap acts as a causeway for marine wind and fog to charge inland from the Pacific Ocean, and eventually empty into the San Pablo Bay.

Winemaker Notes

The daily appearance of gusty winds causes a cool-climate environment, which creates smaller berries with thicker skins. The end result is a richer, concentrated Pinot Noir, loaded with flavors of red and blue fruit alongside savory spice notes.
